10 Reasons I Stopped Attending Sports Events

- 10) They ask for money every time I go.
- 9) The seats were very hard.
- 8) The coach never came to visit me.
- 7) The referees never asked my opinion and then made decisions I didn't agree with.
- 6) I had to sit with some hypocrites who were only there to see what others were wearing.
- 5) Some games went into overtime, and I was late getting home.
- 4) The band played some songs I had never heard before.
- 3) The games are scheduled when I want to do other things.
- 2) I don't want to take my children because I want them to choose for themselves what sport they like best.
- 1) My parents took me to too many games when I was growing up.

This list made me smile because of how ridiculous the excuses are, but I was also saddened when I considered the number of people who use like excuses to avoid worship services. I am proud of those at Jackson St. who are dedicated in their attendance to our worship services each Sunday and Wednesday. You honor God and encourage one another as you demonstrate the importance of God and His family and seek to grow in Christ. I encourage you to please pray for those who uses such excuses. Poor attendance reveals a problem in the heart which must continue to be penetrated and molded by God's Word. May God continue to bless us as we honor and praise him in worship together.

-Mickey
