**The Spiritual Dimensions of Giving**

The story is told of a man who had what he called a horrible dream. He said, "I dreamed that the Lord took my contribution at church and multiplied it by ten, and gave it back. This became my weekly income. In no time at all I lost my new car and couldn't make the house payment." He ultimately placed blame on the preacher for failing to baptize his wallet.

Giving is easily one of the toughest subjects any preacher must discuss, but it is a necessity if one is going to preach the "whole counsel of God" as Paul said he did in Ephesus (Acts 20:27). God's Word has much to say about giving, and this morning I hope you will pay particular attention as we explore 5 spiritual dimensions of giving that are worthy of our consideration as Christians.

As we discuss these spiritual dimensions, I pray that we are able to do so with open minds and hearts. I also pray that our giving is a constant reflection of God's giving, and we formulate a continued proper response to His gift of grace.

May we bless, praise, and honor God through our faithful giving.

-Mickey
