## Spring Break Mission Trip

Is it March already? Springtime is upon us and with springtime comes every school kid's favorite topic, SPRING BREAK. For most college-aged people, spring break brings thoughts of sun-tans and beaches, but not everyone thinks that way. This year there is a group of college kids from the Riders For Christ that are trading their warm thoughts of beaches and suntans for the cool breeze of Chicago, IL, because they will be spending their spring break in the Windy City. This will be the first time going to the big city for most of our group, with only Riley House having attended before; but they are excited to be a part of this amazing experience. We have begun making plans with the Northwest Church to help in their Food Pantry, to help with nursing home worship services, and to help out with the cleaning of the building during the week. We are also working on ways that we can help with the Sheldon Heights congregation on the south side of Chicago. We were able to visit the last time we went to Chicago and saw all the ways that Sheldon Heights is able to shine God's light in their community, so we are looking forward to being able to go back and work alongside them.

In order to make this trip affordable to our college students, we have sent out letters asking for donations to many area churches, and we are also asking if you will partner with us in this endeavor. There is a poster board by the back door that has envelopes attached to it. Each envelope has a number on it which represents an amount of money. Please, if you are able, pick up an envelope and return it to Joel or Linda with your donation so that we can make this service trip happen. We have taken every step we can to bring the cost of the trip down as low as possible, but we need your help to raise funds to pay for food and lodging. Please consider helping if you have the means; but if you aren't able to help monetarily, please cover us with your prayers. Prayers for a safe trip. Prayers for opportunities to spread love in and around Chicago. Prayers that this trip changes lives. We, the Riders For Christ, thank you for all that you do for us and the love that you show us over and over again. You are truly a blessing to each and every one of us.

-Joel
