NOTE FROM THE ELDERS:

The Elders have selected Hostetler Roofing, a commercial contractor from Nashville, AR, to replace the roof over the main auditorium. At this time the best estimate for job completion is mid-summer.

The new chairs for the auditorium have arrived. The current plan is to leave them in their packaging until the roof has been replaced.

A Call for Your Contribution

A while back we mentioned our renovations included "sealing up" a Bible to be opened when our building comes to the end of its usage (remember Jeremiah 32?). We asked everyone to write in the Bible, and many added encouraging words for the future congregation or underlined verses that have personally helped them in life. Thanks to all participants, and if you haven't, please make an effort to join our family in this project. It is at the front of the FLC, and there is ample room to write a note, tell the story of your conversion, write godly words of wisdom, or describe a precious memory you have of our church family. There is even enough room for some talented person to illustrate a favorite verse or draw a picture of church family life. The possibilities are endless!

Stage 2 of our project is now taking shape, and we want everyone to participate with it as well. We are now gathering items of interest that pertain to this congregation to place with the Bible in an actual time capsule. If you have a "smallish" item to donate for this purpose, we ask you to place it in the black time capsule box at the front of the FLC. Also, if you have an idea of a specific item that should be added but don't have access to it, feel free to place a suggestion there. Some items that have already been located are a couple of older church directories, a list of baptisms that have happened since 1969, and some early Jackson Street church historical information. What do you have to contribute?

We have spoken at length about what to leave future generations, and I hope you will embrace this effort to pass down the love for God this church has had and demonstrated over the years. When taken as a whole, what we are really passing down is evidence of our faith! (Really...go back and read Jeremiah 32!) What do you have that you are willing to "seal up" for the good of the next generation?

-Mickey

Dear Church family,

Thank you all for the wonderful sandwich tray and fruit tray sent to our family the night of the visitation for my dad's funeral. The donation made in his memory to Southern Christian Home was so thoughtful of you. We have been so blessed from the continued prayers throughout his illness over the last several years. Thank you for the continued prayers, we are blessed to be a part of the Jackson St. Church family.
